Dovetails with
EVCO Core Chocks.

Easy to write on

or, even better ...

... use our RightCoreWare™ to automatically print tough, plastic-laminated labels: readable by people, bar-coded for computers.

For details, see
our RightCoreWare™
product guide.

As shown here, a stack of five
EVCO Core Boxes holds up
easily under a 960 pound weight.

Material Safety Data Sheets
Available Upon Request

EVCO Core Boxes have withstood some of the harshest conditions Alaska has to offer. They have consistently held up through rainstorms, snowstorms, and the rigors of remote logistics. All of our core transported within EVCO Core Boxes has returned to the laboratory in excellent condition.

Aaron Banks, R&M Consultants, Anchorage
